Digitaltrends.com Ooma puts out a call to ditch landlines

Cape Cod Times - 15 hours ago

By WALTER MOSSBERG It has been possible for several years now for Americans to dump their landline phone companies and pay much less with services that route calls over the Internet instead of over the regular phone network.

Startup to Debut Punk'd Phone Service Multichannel News (subscription)

Ooma selling free phone service (and the original iPhone) Computerworld

San Francisco Chronicle - InformationWeek - I4U - Red Herringall 28 news articles
